

flexible, trouble-free system that didn't require custom coding," said Roy Gallagher, director of information technology for Dorskocil. "ClearOrbit has proven to be the clear choice as our supply chain execution partner."

"Manufacturers and distributors need a carefully thought out strategy for RFID compliance," said Tom Dziarski president and CEO of ClearOrbit. "Yet at the same time, they cannot abandon their current bar code infrastructure investment. For years to come, a 'hybrid' RFID-bar code approach will be required to allow these two technologies to co-exist harmoniously within the supply chain. Our Compliance Label Manager product fits the bill for future-proofing your RFID strategy."
